

F.2.1.2 (Procedure) Early Admission of High School Students

Responsible Departments: Vice Chancellor for Student Success

Based on Board Policy: [F.2.1](#) - Student Enrollment Requirements

Approved: 5-19-09

Last Amended: 11-15-16

High school students may be admitted for credit work at the College District according to the following guidelines:

1. The student must be recommended by the high school principal/designee or counselor. This recommendation shall be the primary consideration for admission.
2. The course load shall be determined by the high school counselor and the college counselor.
3. The student must have completed the sophomore year equivalent of the required units for graduation.
4. The student must have acceptable placement scores as determined by the colleges of the College District.
